

Center for Integrated Healthcare		
Current Research Projects		
Investigators/Sites/Roles	Project Title	Contact Person
Beehler, G. (Buffalo), PI; Kiviniemi, M. (University at Buffalo), Co-I; Rodrigues, A. (Buffalo), Co-I	Veteran cancer survivors perceptions of health behavior change and preventive health services delivery	gregory.beehler@va.gov
Beehler, G. (Buffalo), PI; Rodrigues, A. (Buffalo), Co-I	Healthcare utilization among veterans with chronic pain	gregory.beehler@va.gov
Beehler, G. (Buffalo), PI; Kiviniemi, M. (University at Buffalo), Co-I	Comparison of health behaviors and psychological distress among cancer survivors and controls using HINTS data	gregory.beehler@va.gov
Beehler, G. (Buffalo), Co-I; Murphy, T. (University at Buffalo), PI	Establishing the Buffalo Clinical and Translational Research Consortium	gregory.beehler@va.gov
Beehler, G. (Buffalo), PI; Rodrigues, A. (Buffalo), Co-I	Healthcare utilization among veterans with chronic pain	gregory.beehler@va.gov
Beehler, G. (Buffalo), PI. Funderburk, J. (Syracuse) Co-I; Possemato, K. (Syracuse) Co-I.	Using the Delphi technique to develop a measure of protocol adherence among Behavioral Health Providers in Co-located, Collaborative Care	gregory.beehler@va.gov
Beehler, G. (Buffalo), Co-I; Heapy, A. (West Haven) PI.	Comprehensive Opioid Management in Patient Aligned Care Teams (COMPACT)	gregory.beehler@va.gov
Beehler, G. (Buffalo), PI. Funderburk, J. (Syracuse) Co-I; Possemato, K. (Syracuse) Co-I., Dollar, K. (Buffalo) Co-I.	Psychometric assessment of a measure of protocol adherence for Behavioral Health Providers in Co-located, Collaborative Care	gregory.beehler@va.gov
Dollar, K. (Buffalo), Site PI; & Wray, L. (Buffalo), Consultants; Prins, A. (National Center for PTSD), PI	Development of toolkit for PTSD assessment and treatment in primary care	katherine.dollar@va.gov
Dollar, K. (Buffalo), PI; Beehler, G. (Buffalo) & Wray, L. (Buffalo), Co-I	Tobacco health risks among veterans: cigars, pipes and smokeless tobacco	katherine.dollar@va.gov
Dollar, K. (Buffalo). Kirchner, J. (MH QUERI, Little Rock), Richie, M (MH QUERI, Little Rock)	Blended facilitation to enhance EBP program implementation	katherine.dollar@va.gov
Dollar, K. (Buffalo PI) & Dundon, M. (NCP)	Tobacco use cessation: A primary care based intervention	katherine.dollar@va.gov
Dundon, M. (NCP), PI; Funderburk, J. (Syracuse), PI; Hooker, S. (Denver), Arigo, D. (Syracuse), Catanese, S. (Chicago), DeSouza, C., (Omaha) & Evans, G. (Houston)	MOVE! attrition study 1: Staff perceptions about why veterans stop attending MOVE!	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI; Maisto, S.A. (Syracuse), Co-I	Health behaviors among veterans in primary care	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI; Masters, K. (Syracuse University), Co-I	Pain in primary care I: Database analysis of implementation and correlates of pain as the fifth vital sign initiative in VISN 2	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI; Masters, K. (Syracuse University), Co-I	Pain in primary care II: Chart review	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI; Maisto, S. (Syracuse), Co-I	Veterans' interest in participating in research	jennifer.funderburk@va.gov

Funderburk, J.S. (Rochester Outpatient Clinic), PI; Maisto, S.A. (Syracuse); Possemato, K. (Syracuse)	Chart review of patients screened for alcohol use disorders in primary care	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI, Maisto, S.A. (Syracuse), Hunter, C. (Washington DC), Dobmeyer, A. (Washington DC)	Clinical interventions used by behavioral health providers in integrated healthcare settings	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI	A database study exploring the prevalence and covariation of multiple risk factors among patients presenting to primary care in VISN 2	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI; MacGregor, K.	Body mass index, waist circumference, and cognitive function in veterans	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI	MOVE! Attrition Study 2: Objective predictors of attrition and attendance in MOVE!	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI	The relationship between mood and health behaviors	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI, Maisto, S.A. (Syracuse)	Implementing the AUDIT-C screen	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI, Maisto, S.A. (Syracuse)	Patients with multiple risk factors: how can we help them?	jennifer.funderburk@va.gov
Funderburk, J. S. (Rochester Outpatient Clinic), PI, Pigeon, W. R., Maisto, S. A.	A pilot study of the effects of brief behavioral activation on depression and suicidal ideation	jennifer.funderburk@va.gov
Funderburk, J. S. (Rochester Outpatient Clinic), PI, Possemato, K. (Syracuse), Barrie, K. (Syracuse)	Enhanced behavioral activation for patients with hypertension and depression	jennifer.funderburk@va.gov
Funderburk, J.S. (Rochester Outpatient Clinic), PI, Maisto, S.A. (Syracuse)	Brief alcohol intervention training for integrated providers in primary care	jennifer.funderburk@va.gov
Kennesson, A. (Syracuse), PI, Funderburk, J. S. (Rochester), Maisto, S. A. (Syracuse)	Feasibility of assessing daily fluctuations in modifiable behaviors and mood symptoms in veterans with affective disorders	jennifer.funderburk@va.gov
King, P. (Buffalo), PI; Wray, L. (Buffalo), Co-I; Wade, M. (Syracuse), Co-I	Healthcare utilization in OEF/OIF/OND veterans with closed TBI	paul.king2@va.gov
King, P, Donnelly, KT, Donnelly, JP, Dunnam, M, Warner, G, Kittleson, CJ, Bradshaw, CB, & Alt, M	The relationship between pre-military vocational aptitude assessment and post-deployment cognitive functioning in combat veterans.	paul.king2@va.gov
King, P (Buffalo) PI, Wray, LO (Buffalo), Co-I, & Beehler, GP (Buffalo), Co-I	Knowledge, symptom perception, and treatment experiences of veterans with traumatic brain injury (TBI) in primary care	paul.king2@va.gov
King, P (Buffalo), PI; Wade, M (Syracuse), Co-I; Wray, LO (Buffalo) Co-I; Kusche, A, Co-I; Vair, C, Co-I (Buffalo); Saludades, C, Co-I	Clinical course and driving recommendations for veterans seen in VA geriatric evaluation and management (GEM) and memory clinics	paul.king2@va.gov
King, P. (Buffalo), PI; Wray, L. (Buffalo), Co-I; Wade, M. (Syracuse), Co-I; Beehler, G.P. (Buffalo), Co-I	Health care utilization in a sample of veterans with post-concussion syndrome.	paul.king2@va.gov
Lantinga, L.J. (Buffalo & Syracuse), VISN 2 PI; Baker, C. (Rochester Outpatient Clinic), Site PI; Dollar, K. (Buffalo), Co-I; Kirchner, J. (MH QUERI, Little Rock, AK), PI	Blended facilitation to enhance primary care mental health program implementation	larry.lantinga2@va.gov
Lantinga, L.J. (Buffalo & Syracuse), Co-I; Maisto, S.A. (Syracuse), PI; Possemato, K. (Syracuse), Site PI; Oslin, D. (Philadelphia), Co-PI	Primary care based disease management for alcohol dependence	larry.lantinga2@va.gov
Hamblen, J. (NCPTSD White River Junction) PI; Lantinga, L.J. (Buffalo & Syracuse), Site PI; Possemato, K. (Syracuse), Co-I	CBT for PTSD in veterans with co-occurring substance use disorders	larry.lantinga2@va.gov

Lantinga, L.J. (Buffalo), Co-I; Chipps, J. (Buffalo), Site PI	Caring letter for military suicide prevention: A randomized controlled trial.	larry.lantinga2@va.gov
Maisto, S.A. (Syracuse), PI	Interpersonal behavior in individuals presenting for treatment of alcohol use disorders	samaisto@syr.edu
Maisto, S.A. (Syracuse), PI	Clinical course of alcohol use in veterans	samaisto@syr.edu
Maisto, S.A. (Syracuse), PI	Lifestyle modification study	samaisto@syr.edu
Maisto, S.A. (Syracuse), PI	Research and mentoring on alcohol clinical and human laboratory research	samaisto@syr.edu
Maisto, S.A. (Syracuse), PI; Rosenblum, A. (National Development Research Institute, NYC), Co-PI; Possemato, K. (Syracuse), Site PI; , PI; Lantinga, L.J. (Buffalo & Syracuse), Buffalo Site PI.	Web-based cognitive behavior therapy for substance misusing and PTSD symptomatic OEF/OIF veterans	samaisto@syr.edu
Maisto, S.A. (Syracuse), PI	Relationships among interpersonal stress, affect regulation, and alcohol relapse.	samaisto@syr.edu
Maisto, S.A. (Syracuse), Co-I	Social network influences on adolescent AUD treatment outcomes	samaisto@syr.edu
Pigeon, W. (Syracuse), PI; Lantinga, L., Co-I; Possemato, K., Co-I	Pilot test of a primary-care friendly intervention for insomnia & nightmares in OEF/OIF veterans	wilfred.pigeon2@va.gov
Pigeon, W (Syracuse) & Possemato, K (Syracuse) PIs	Mindfulness based stress reduction for primary care veterans with PTSD	wilfred.pigeon2@va.gov
Pigeon, W. (Syracuse), PI; & Funderburk, J. (Rochester Outpatient Clinic), Co-I	Brief CBT for insomnia in VA primary care patients with depression & insomnia	wilfred.pigeon2@va.gov
Possemato, K. (Syracuse), PI; Pigeon, W. (Syracuse), Co-I; Maisto Co-I; Gump, Treatmen, Cico-Bergen, (Syracuse University), Co-I's	A randomized controlled trial of brief mindfulness based stress reduction for Veterans with PTSD symptoms enrolled in VA primary care	kyle.possemato@va.gov
Possemato, K. (Syracuse), PI; Beehler, G. (Buffalo), Co-I, Funderburk, J. (Rochester Outpatient Clinic), Co-I Wray, L. (Buffalo) Co-I	The effects of co-located collaborative care on treatment access and outcomes	kyle.possemato@va.gov
Possemato, K. (Syracuse), PI, Lantinga, L. (Buffalo & Syracuse), Co-I	Behavioral Telehealth Center: Quality outcomes	kyle.possemato@va.gov
Possemato, K. (Syracuse), PI	Written emotional disclosure for OEF/OIF veterans in primary care	kyle.possemato@va.gov
Possemato, K. (Syracuse) PI, Ouimette, P. (Syracuse), Co-I	Deployment risk and resilience in OEF/OIF veterans	kyle.possemato@va.gov
Possemato, K. (Syracuse), PI; Wray, L. (Buffalo), Co-I; Beehler, G. (Buffalo), Co-I.	Veteran input regarding primary care-based PTSD services	kyle.possemato@va.gov
Possemato., K (Syracuse), PI; Lantinga, L.J. (Buffalo & Syracuse), Co-I	Riluzole for PTSD	kyle.possemato@va.gov
Wray, L. (Buffalo), Co-PI; Shulan, M. (Albany), Co-PI	A telehealth education program for caregivers of veterans with dementia	laura.wray@va.gov
Wray, L. (Buffalo), PI	Telehealth education program for adult children caregivers (TEP-AC)	laura.wray@va.gov
Wray, L. (Buffalo), Consultant; Parker, V. (Bedford VAMC), PI	Nursing education: Dementia management in nursing homes.	laura.wray@va.gov
Wray, L. (Buffalo), PI; Mavandadi, S. (Philadelphia), Co-PI	VISN 2 telephone care management for veterans with dementia	laura.wray@va.gov

Wray, L. (Buffalo), PI; Mavandadi, S. (VISN 4 MIRECC-Philadelphia); Klaus, J. (VISN 4 MIRECC-Philadelphia), Co-I; Tew, J. (VISN 4 MIRECC-Pittsburgh), Co-I ; Oslin, D (VISN 4 MIRECC-Philadelphia), Co-I; & Sweet, R. (VISN4 MIRECC Pittsburgh) Co-PI.	Association of mental health and cognitive screening outcomes	laura.wray@va.gov
Wray, L. (Buffalo), PI; Co-I; Wade, M. (Syracuse), Co-I; Beehler, G. (Buffalo), Co-I; Hershey, L, Co-I (University of Oklahoma)	Association of VISN 2 RAPID program and recognition of dementia in primary care.	laura.wray@va.gov
Wray, L. (Buffalo), PI; Dysken, M. (Minneapolis); Co-I	Primary care recognition of dementia: Gaps in care	laura.wray@va.gov
Wray, L. (Buffalo), PI; Maisto, S. (Syracuse), Co-PI; Beehler, G. (Buffalo), Co-I; Pikoff, E. (Buffalo) Co-I	Facilitators and barriers to recovery-oriented mental health services in primary care	laura.wray@va.gov
Wray, L (Buffalo), Co-PI; Szymanski, B. (SMITREC), Co-PI; McCarthy, J. (PC-MHI Program Evaluation, SMITREC), Co-PI	Update on VA initiatives in primary care mental health integration: Specialty mental health engagement	laura.wray@va.gov
Wray, L (Buffalo), Co-PI; Szymanski, B. (SMITREC), Co-PI; McCarthy, J. (PC-MHI Program Evaluation, SMITREC), Co-PI, J. Kirchner, Co-PI (MH QUERI)	The association of PC-MHI, prevalence of new dementia diagnosis and adherence to dementia medication guidelines.	laura.wray@va.gov
